Tuesday, February 25 is Mardi Gras!

As with last year, we'll celebrate with an all-day buffet featuring many New Orleans favorites, plus other additional Big Easy themed flavors on the specials menu. Doug Hooper will be providing us with tunes in the evening.

To help keep things moving and fair for everyone, we will not be taking reservations for Tuesday. Normally we do, but it makes it difficult to plan table times when people are hanging out longer to enjoy the buffet and the music.
